Sir:

The references cited on attached form PTO-1449 are being called to the attention of the Examiner. Copies of the references are enclosed.

Further, applicant encloses a copy of a German Office Action dated February 17, 1999 (with English translation) issued in conjunction with counterpart German application No. 19822751.5, and in which references AA, AB and AN were cited. In addition, applicant encloses partial English translations of applicant's responses to said Office Action dated March

17, 1999 and July 22, 1999, and the minutes to a Hearing before the German Patent and Trademark Office dated August 17, 1999 (with English translation), in which references AM and AS were cited.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement, since it is being submitted prior to the first Office Action. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
